

## USING THE OCSRI ELECTRONIC MEDICAL RECORD

From your computer, you may access OCSRI's Electronic Medical Record (EMR), Flatiron's OncoEMR (Onco) using a Chrome browser.

Your password will be created by you via the email link that is sent to you from Onco. The username will always be the email address that you gave to us when completing the Confidentiality Agreement. If you have difficulty accessing your account due to incorrect password or username, please contact the Onco Help Desk at 888-662-6367.

**Please remember, signed agreements and federal law prevent users from releasing their login and password to any other person, including any employee or person acting on their behalf and further agree not to allow anyone else to access patient's information with their login and password.**

**When you have completed your work, it is important to always use the Logout link to exit the application and protect your secure access.**

If, at any time, you feel your password may be compromised, please click on the Forgot Password link at the login screen to reset your password as soon as possible.

When you receive a confirmation email to set a password for Onco, you will click on that link and set a password, which will then take you into Onco.

The place to normally log in to Onco will be: <https://secure5.oncoemr.com>  
**ALWAYS USE CHROME TO ACCESS ONCO**

Once logged in, you will see a list of patients that have you listed as their referring, consulting or primary provider.

The screenshot shows the OncoEMR Patient List page. At the top, there is a search bar with the text "Enter a few characters to filter the list:" and a "Refresh" button. Below the search bar is a table with the following columns: Name (3 found), Last Visit, Next Visit, and Treating Physician. The table contains three rows of patient data.

Name (3 found)	Last Visit	Next Visit	Treating Physician
Ztest, Amber Marie (208906)	5/11/2021	1/13/2022	Dunlap, MD, Melinda S
Ztest, D Colby (191675)	10/13/2021		Moussa, M.D., All H
ztest, Jackie Ray (808195)	10/25/2021	1/13/2022	Olsen, M.D, Ph.D, Mark R

From there, you can click on a name and go to their chart, which will give you access to clinical information, documents, tests, etc.

The menu on the left side of window will give you look access to these areas of the chart. You will know the patient that you are on, by the demographic info and picture at the top of the window.

The screenshot shows the OncoEMR Patient Demographics page for Amber Marie Ztest. At the top, there is a header with the patient's name, a picture, and demographic information: Room: None, Sex: F, MRN: 208906, DOB: 7/12/1981 (40), MD: Dunlap, Melinda, Primary insurance: United America, Memo: test.
